Semailles d'art sur commission
Arbre de 3 metres, 1988-89 par Giuseppe Penone

commissaires

Valentina Colella, Fortunata Titta Calabrò, Suzana Queiroga

Espacio Unzue

Mar Del Plata
Argentina

A close-up photograph showing a person's hand holding a thin, light-brown wooden stick vertically. The stick is partially buried in dark, moist, clumpy soil. A small, rectangular, light-colored label is attached to the stick, partially submerged in the soil. The label has handwritten text in black ink. The background is the same dark soil, with some small white particles visible.
